

Svarlifoss
“Black Falls”

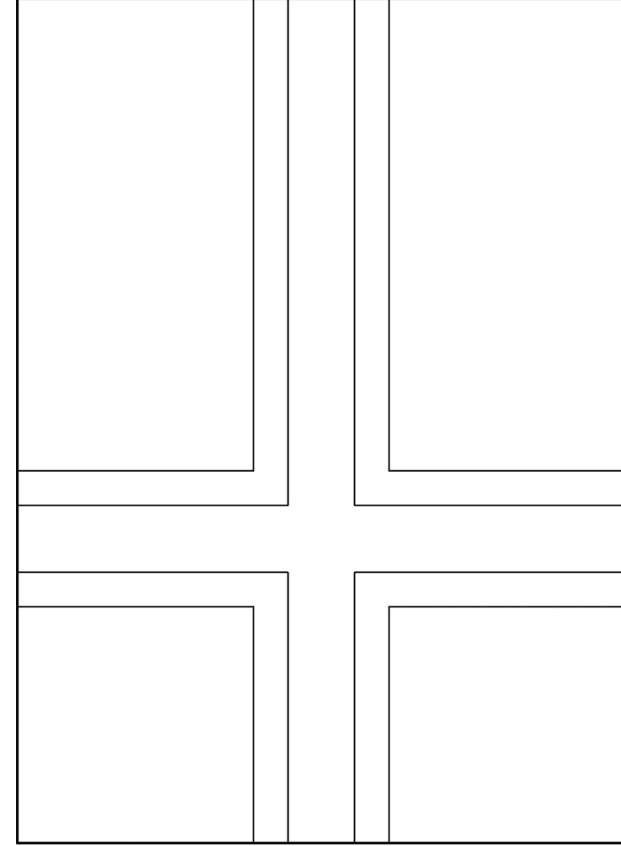

Puffin petting!
They can swim under water.

The Blue Lagoon
Silica, algae and minerals!

Strokkur
40m high every 8-10 minutes!!

“Their flag is a beautifully simple red cross on a blue background.

The red represents the volcanoes and their fires, the white is for the snow and ice all over the island, and the blue is for the vast ocean that surrounds it.”

Email your finished page to info@joysunbear.com and we'll post it in our Iceland Exhibit Page on www.joysunbear.com!
